Dear Mr. Sailesh,

Project : *ET Plattform Talent 2 TSI Toilet Cabins and Train Interior Panels.*

This is to confirm that BFG International Ltd., P.O. Box 26197, Manama Bahrain, have been involved in the design, manufacture and installation of completely integrated Toilet systems and Train interior GRP panels for ET Plattform Germany, since 2007 till Date and the frame contract will run until 2018.

All the Toilet Cabins and Interior panels are still in use and in good conditions. BFG carried out all works in a professional manner and we have no hesitation in recommending them for similar works.

This certificate is issued at the request of BFG International, for any legitimate use and Bombardier Transport Germany has no liability on this.

Best regards

a.v. Annemarie Kwade
