

**PRINCE MOHAMMED BIN ABDULAZIZ INTERNATIONAL AIRPORT EPC PROJECT
(MAJV)**

Date: 30/10/2018

To whom it may concern

"TAV Construction and Al-Arabb Contracting Co. CJSC (ACC) Joint Venture (MAJV)" attests that **BFG International Ltd.** (Mina Salman Industrial Zone, P.O. Box 26197) (MANAMA / BAHRAIN) had worked for the JV as a Subcontractor for Supply of GRP & GRC Elements for the Masjid Building in the Construction of Prince Mohamed Bin Abdulaziz International Airport (PMIA Project) in Madinah, Kingdom of Saudi Arabia.

Messrs. BFG International Ltd. had worked in the Project for the period since **October 2013** until substantial completion of all the Subcontract Works in **June 2014**. The total amount of its work during this period has reached the value of **(6,861,000 SAR)**.

During this above period of assignment, BFG International Ltd. has consistently performed its duties in speedy and competence fashion for all types of GRC & GRP Elements, and was done in the best way, with hard working, and dealing in good cooperative conduct with all the Project staff of engineers, surveyors and foremen.

We would recommend dealing with BFG International Ltd. to whichever similar type of work and wish them well in their future career path.

This certificate was given at the request of BFG International Ltd. without any liability on the JV Part.
